## April 2024

### **REMINDERS:**

#### **Coming to School and Going the Extra**

**Degree:** At 212 degrees, water boils, produces steam, and can power machines. That 1 extra degree turns hot water into something extraordinary. Our theme this year is "212" and we want teachers, students, and parents to work for that extra degree. As an attendance incentive, each classroom is working to earn "degrees" by having 100% attendance. Each class can earn 10 degrees each day by having every student in class for the day. Each student absence costs the class a degree. As classes reach 212 degrees, a special gym class or activity reward will be given. Congratulations to: Mrs. Hurd's 1<sup>st</sup> grade and Mrs. Tina Lucas's 3<sup>rd</sup> grade for being the top two classes. They colored and hid Easter eggs. The classes that reach 212 degrees by April 30<sup>th</sup> will earn outdoor games. Let's continue to go the extra degree by coming to school on time each day!

**BoxTops for Education:** Please remember to download the Box Top app and scan your receipts. Make sure you select your child's grade to give their class credit. Congratulations to Mrs. Lucas's 5<sup>th</sup> grade class for winning the 3<sup>rd</sup> nine weeks and getting an outdoor picnic with yard games. The grade with the most BoxTops at the end of the 4<sup>th</sup> nine weeks (due May 5<sup>th</sup>) will celebrate with an ice cream party.

**Food City cards** Please visit the Food City website:
